14th International M&A Conference

1st - 3rd November 2019
Versailles, France

Invitation

The 14th International M&A Conference will be held in Versailles, France. We will offer a broad range of highly qualified speakers from various countries. The speakers will explain, on the one hand, specific particularities of their respective national laws to be taken into consideration when dealing with transactions involving their jurisdictions and, on the other hand, particularities with regard to specific questions raised in the course of M&A deals. Some of the presenters will focus on cases they have dealt with and others will give you a more general outline of trends and developments.

We hope that you are free to accept this invitation and that you will join us for the 2019 Conference, which is not to be missed. Your hosts have prepared a social program that you will long remember. Come and discover the wonders of Versailles' castle, do indulge yourself in the neighboring Waldorf Astoria Trianon Palace, enjoy some world-class shopping in Paris and let yourself get surprised by fancy cocktail parties.

We look forward to seeing you in Versailles in November.

This is a personal invitation to you and your guests. Our aim is to maintain the familiar atmosphere of the Conference and to enhance the networking between the participants.
